Dear Mrs. Reid

I enclose letter from Keogh. You see the Authorities at Washington must ask. Shall I write to Gorgas or Wood?

I enclose ^{any} list of Med School Libr. to which it would be nice to send copies of the autobiography. If you like I will write a little slip which Lea Bros could have printed & enclosed in each vol. Shall you be at home tomorrow for lunch - if so I could come & have a talk. Send me a line to the Athenaeum Club.

Sincerely yours

W^m Osler
