

Dr. L. L. Mackall,
420 Riverside Drive,
New York, N.Y., U.S.A.

(Postcard postmarked Oxford).

14th (Feb. 1916).

- 1) Am sending a batch of reprints.
- 2) Have not the Neuburger introduction ~~(/)~~. Forgot that I wrote one.
- 3) Bibliographical Soc paper on the stocks I have it half written - all the past relating to the ~~Adeylasskalanders~~ ^{Handers} &c. Am trying to finish the rest but it is so hard to get time. I will ask you to run a critical eye over it. You will have had my letter of last week.

Yours,

Wm Osler.
