*Must?*

Dear Mrs. Sachs,

Thanks for that sweet letter. It was so nice to hear of you both. I hope the good man is happy in his work. We are all well, and very busy. My boy has been in France for six months. This war has been an awful business and I am afraid it will last on for a year or more. Love to Mary. What a darling she must be by this time. Tell the Doctor to greet them all in N.Y. when he writes.

Blessings on you both.

Sincerely yours

Wm. Osler
