

CUS417/121.105  
(J. H. Medical School - Williams)

From the Regius Professor of Medicine, Oxford  
April 28, 1916

Dear Williams,

Please send me a memorandum percentage of the share borne by the Hospital and the Medical School in the salaries and expenses of the departments of pathology, medicine and physiology. For my sins I am on this new Welsh Royal Commission for Education in Wales, and the "Taffies" want an up-to-date medical school.

Sincerely yours,  
Wm Osler
