

From the Regius Professor of Med., Oxford.

To Sir John MacAlister.

Letter Typewritten.

May 3, 1916.

Dear MacAlister,

Lloyd Roberts wrote ii. 25. 13. that he had two copies of the first edition of Reynald, one of which belonged to Dr. Sam Merriman. No doubt he sold it. It is a very good copy and should go to one of the libraries. I have written to Boston.

You did not answer my question whether we had the 1751 Auengrigger on percussion. If not, I should like to give the library my duplicate as I have just found another copy.

Sincerely yours,

Wm. Osler.
