

CUS417/121.122

From the Regius Professor of Medicine.
Oxford.

To Sir John MacAlister

May 12, 1916.

Letter Typewritten

Dear MacAlister,

That's a curious coincidence! Your copy also contains the name of S. W. J. Merriman, and was also bought by Callow at Dr. Combe's sale! When rebacked, I will send it so that you could compare it with Robert's copy.

Sincerely yours,

Wm. Osler.
