Dear Pleadwell,

Any spare mornings, Lewis and his colleagues at the Mount Vernon Military Hospital, Hampstead, would be delighted to show you any of the heart work which is in progress. I am writing to Major Meakins of Montreal who is in charge of one of the departments. Ask for him.

Why not put a note in the J.A.M.A. about Rush and the teeth? It would be worth while.

Sincerely yours,

WM OSLER
