Dear Shattuck

I was surprised to have a wire from Cabot saying you were all in town. You must have had a good passage. Could you come up to the Heart Hospital Hampstead at 10.10 tomorrow? Take the Hampstead tube at Picadilly Circus to Hampstead 15 minutes. Ask for Holly Hill which is near the station and the hospital called Mount Vernon is close at hand. Bring a couple of men with you if you like.

Sincerely yours,

Wm. Osler

I have wired Cabot asking you all to lunch with me at one o'clock tomorrow at the Criterion.
