Dearest Gwen

I enclose cheque for \$100 to spend on Summer holidays for the children & anything you wish Maysie said that Violet wanted a new wall-paper with "Woses" on it- spend some on that. That rascal B. has never sent me a statement about the Mor[t]gage. I should like to help you pay it off. It would be a great thing to have the house all your own. Ask him to send it at once. Maysie has just spent the week end with us. She says your darlings are splendid - & so good. You must be very proud of them. I saw Revere last week at Newcastle very well & getting accustomed to gun-carriages & mortars

Sister is very happy in the Canad. Hospital Shorncliffe. Love to little auntie. Look after her. She is very precious. I hope dear old Bea is better

Your loving

Old Doctor
