Dearest Sister Sue

I do wish you could come over with Little Sue. I am sure you need a rest and change. I hope you approve of L Sue coming. She will be very helpful. Grace has many things for her to do & she could copy for me on the type writer. Then the change will do her good.

Maizie Osborne was here last week end - I enclose the gushing letter she wrote to Grace, - so true, that I have filched it & sent on to you. I am very well & very busy & Keeping a grip on myself amid all these worries. Things look bright Love to you all. The babies (J & Ms) look splendid.

Your loving bro
