(Letter to Dr. Francis J. Shepherd- Montreal)
(handwriting)

THE ATHENAEUM.
PALM MALL.S.W.

Dear Sherry

Sharkey has just told me he has had a letter from Frank who says that one of his nephews has been killed. I hope you have not had to part with one of your boys. What trying times for all of us. Revere is in the R.F.A., and goes out very soon. We are very full of work. Do look in on us should you come Oxford way. Love to the daughter

Ever yours

WM OSLER
