? Dearest Ada

Your lovely dress came yesterday. You wont mind if I give it to Miss Price who, it will just fit.

You will be sorry to hear that nothing more can be done for me. So I must be brave! Dr Halpin had Dr Morris in yesterday and his report was not very unsatisfactory. I am not well enough to go to Oxford to see Dr Osler but Oh my dear I would give anything to see him. I feel if any one could help me he could and I do wish I had gone over to America before this happened. I am always wishing I were over there - if only in Hospl^{ital}.

do not
misunderstand

My heart is full of love [and] gratitude to you and Mrs K for all your loving kindness to me. I am sorry to send you such a sad letter, but its best to say frankly to you dear just how I am, I have had a poor night with severe pain around my Heart, and I do [not?] get better but worse. x x x

Now my dear once again my loving thanks and heartfuls of gratitude to you all

Yours devotedly

Chick-a

I will write again
