Post card.

Oxford.

October 5, 1916.

Dear Miss Cameron:-

What is the avicenna 14 ? in the Med.Library-
the one given by Dr.Casey Wood ? Send the colophon please. I am
making list of med.incunabula to 1480. I hope the Library is thriving.
So sorry to hear that Miss Ross has not been so well. Give
her my best wishes. Dr.Francis who is here this evening joins me
in sending greetings.

Sincerely yours,

(Signed)

Wm. Osler.
