BALTIMORE

Dear Camac-

A small group of Dr. Osler's friends (15) are joining in sending him for Xmas an almost unique copy (only 3 known including this) of the 1683 Sir T. Browne's "Miscellany Tracts" This perfect copy has been bought at auction after approval of Cushing & Mr. Putnam (Librarian of Congress), who says he will take if we don't want it, by my cousin L. L. Mackall an accomplished bibliophile & friend of the Chiefs The cost with transportation will be approx \$150.00 Welch, Thayer, Barker, Hurd, Thomas, Fitcher & I are in it here. If you would like to join us send me \$10.00 at your early convenience as we want to get it over in time for Xmas as a surprise. Mackall, Cushing Worthington Ford & McCrae will also contribute.

Sincerely yours.

THOS. R. BOGGS.
