

(Letter to Edward Milburn, Esq.)
(handwriting)

24th (Nov. '16)

13, NORHAM GARDENS
OXFORD

Dear Ned

Please hand the enclosed to Mrs Milburn to spend on you & the girls for Xmas. All well here. . . Revere in the thick of this Ancre push. He joined his Battery about 2 mos ago in France & likes the work. Of course we are very anxious but it is the right thing for the boy to do & we should not be happy if he was not in it. I am very busy, away a great deal. We are all glad to have the Can. Army Medical business settled. Sam was an impossible creature. I hope you are keeping pretty well
Love to you all

Your affec friend
