From Dr. Malloch's Journal.

Tuesday, Dec. 19, 1916.

To Bodley and running about for W.O. Miss Willcock also hard at it. A present to W.O. from Mackall, Cushing, Barker, Thayer, Thomas, Boggs, Halsted, Kelly, Welch, McCrae, Futchet et alia, of Sir Thos. Browne's 'Miscellany Tracts' (1683). Very rare though W.O. has 1684. Possibly W.O. bid on this at Sotherby's some years ago, but it went to U.S.
