Dear Hurry:

That is an A.1. Vicious Circle - I am reading it with great interest. You have certainly dug out a mass of interesting & valuable material and this is surely the season in which such a word should be spoken. Many thanks!

I hope your boy keeps well - our laddie is on the Ancre - hammering away with Battery A. R.F.A. He writes cheerily - but it is an anxious time

Greetings to you all

Yours sincerely

Glad to see you made Gladys help you with the book.
