

CUS417/123.31

Letter Script.

To Sir John MacAlister.

13, Norham Gardens,
Oxford.

10. ~~II~~ 17.

Dear MacAlister,

The enclosed came last eve. or rather was here on my return. The F.O. has evidently made up his mind. No matter as the new development will stop all communication and there should be a declaration of war in a few weeks.
