Letter from W. O. to Dr. Adami

(Script)

13, Norham Gardens,
Oxford.

17. V. 17.

Dear Adami,

I did try to get thro' but failed. Miss Robinson is away until tomorrow. Her V.A.D. Hospital is splendid and such a nice set of girls. I will let you know ~~an~~ once after seeing her. Thanks for the figure which I will quote.

Robertson and Cuddwell were Army Surgeons * not Stephenson or Holmes. I was surprised not to find biographical details in M.A.'s sketch.

Ever yours,

Wm. Osler.
