Letter from W. O. To: Dr. Adami

(Script)

18. V. 17.

Dear Adami,

Pardon delay but the C. of the V.A.D. Hospital has been away. She thinks by July there would certainly be vacancies though at present they are slack, and do not need extra help. At the Radcliffe I believe she would get more **attractive** work and would be happier. The Matron would like to know just how much work she has done. A cable stating that a definite position was open would probably get her a permit to cross and by July things, let us hope, may be safer.

Sincerely yours,

Wm. Osler.
