Colonel Harvey Cushing,
Hotel Curzon,
Mayfair, London.

Let me know if you do not get away on Tuesday as I shall be in town late Wednesday eve - at G.W.R. Hotel Paddington. Thursday a.m. I make my visit to the Heart Hospital, Hampstead, & Fitz and Cutler might like to come. Let me know how you get settled, and if there are any special worries let me know, as Keogh likes to hear of them quickly.
