Dear J. Y. W. M.

Ask ~~me~~ if the men to look out your Mary Toft Rabbit Breeder pamphlets send ~~me~~ a list. Manningham and St. Andre are the two important ones. The famous Stievens collection ~~on~~ question came into my possession the other day, which leaves me with several duplicates wh. are at your disposal. I shall come to the Lib. Committee on the 4th. with the De Moiu Cordis in my poke.

Your sincerely,

Wm. Osler.
