No. 142
(Letter to Dr. C.N.B.Camac)
(handwriting)

8.VIII.17

13, NORHAM GARDENS
OXFORD

Dear C.N.B.C.

You will have had my message about Grant Allen - sorry for the delay but I could not get into touch with the people. All goes well here - greatly touched by all the American preparation & by the good fellows who came in every few days. Stemmons & Ledwick were here yesterday.

Revere has got thro the last push - so far. He keeps well, but it is a hard business for him

I hope Mrs. Camac is well enough to go to Murray Bay.- Love to the lassies. How I wish I could see you all.

Grace sends love

Yours ever,

WM OLSER
