Dear Davison,

We were so disappointed not to see you. Congratulations on the prize. So glad. That is a good bit of work. Let me know if there is any literature I can send The R.S.M. Wimpole St. <sup>I've arranged</sup> ~~to~~ to send books & papers. So glad that the L. of your L. came over. Revere keeps well & says he cannot even get P.U.O. after 4 days & nights of soaking wet in the last offensive. Dreyer is away. Ainslie Walker lost his wife the other day - an obscure complications of Graves disease. I have been in *Wales* for a week - Welch Commission business. Hospitals filling up after quiet period.

Sincerely Yours,
