Chas. Singer,

Dear Singer,

I have written the G.O.C. (whoever that may be!)
At S. telling him that to get to Athos is important. They
should give you leave for it. Greeting to Pericles Polybios
who is no doubt a direct descendant of the son-in-law of
Hippocrates. So glad you are getting a grip of the Greek.
'Twill be useful.

22.8.17.
