(John Ballinger, Librarian - National  
Library of Wales)

23rd August 1917.

13, Norham Gardens,  
Oxford.

Dear Ballinger,

Many thanks. I have sent thee(our) address to  
Tedder who thinks it should go in the Library Record. You could  
arrange anything you wish with the printers of the Record.  
The success of the meeting is most gratifying.

Greetings to all at home.

Sincerely yours,

(Signed)

William Osler.
