

(Letter to Edward Milburn, Esq.)
(handwriting)

2.IX.17

13, NORHAM GARDENS,
OXFORD

Dear Ned

Thanks for your cable. The blow is a hard one but we must face it bravely. He was such a dear laddie, always so loving & considerate & had developed into a fine character. We had so much in common, so that the parting is a terrible wrench. We have no details.

I hope you have good news of Nonia. I have told her to come to us for her first leave.

Love to you all

Your affec friend

WM OSLER
