(John Ballinger, Librarian-National  
Library of Wales)

14th September 1917.

13, Norham Gardens,  
Oxford.

Dear Ballinger,

X  
Take  
shall ~~take~~ the blow bravely. You would have loved the boy, to whom I wrote from Aberystwyth about the Library and how much he would enjoy a visit. One of his favourites, Ben Johnson, puts it truly, "In short measure|| life may perfect be. Love to you all."

Sincerely yours,

(Signed) William Osler.
