Letter from Sir. W. O. to Dr. Adami

Swanage,

(13, Norham Gardens,
Oxford.)
17. IX. 17.

Dear Adami,

Thanks for your kind words of sympathy. We are facing the
blow bravely.

Have you heard when Isabel is coming? It would be best for
her perhaps to come to us for a day or two.

We return Saturday eve.

Sincerely yours,

W. Osler.
