

Letter from W. O. to Dr. Adami.

Script.

13, Norham Gardens,
Oxford.

22. IX. 17.

Dear Adami,

So nice to hear that Isabel is on the water. It would be delightful if you and she came to us next week end. We could introduce her gently to Radclivian* (as Johnson has it!) circles. We have just returned from Swanage. Lady Osler will write to Isabel.

Yours ever,

Wm. Osler.
