13, Norham Gardens,
Oxford.

Dear Kennedy,

Pardon Delay. I have been away. Turrell is doing well in London, no fever and sight beginning to return. We are most grateful to you for your kind care of the lad. His father wishes to know if you were out of pocket for those wires.

Please come and see me when on leave if you have a free day or two.

Yours sincerely,

Wm. Osler.

Greet any of my old friends who may be with you.
