Dear Pleadwell

Greetings for 1918! Yours of the 5th came last eve. What a busy time you must have with all the rapid expansion. Your experience over here will be most helpful. All goes well & we are very hopeful - in spite of Russia. I have not met Edgar Thompson to whom I will write We have 14 nice Am. Surgeons here - I wish you could have been with us for their Xmas dinner. Thayer I believe is back. Have just had a cable about poor Janeway - sad loss.

Yours ever.
