From the Regius Prof. of Med. Oxford.

To J. Y. W. M.

11 Jan. 1918.

Letter Typewritten.

Dear MacAlister,

I enclose you a letter from Christiana. Do you suppose we could possibly influence such publishers as Macmillan and Saunders to issue special circulars for distribution in Norway and Sweden. I am afraid there is not much money in it, at the same time one cannot but sympathise with the good man's appeal.

Sincerely yours,

Wm. Osler.
