

CUS47/125.28

From Dr. Malloch's Journal.
Saturday, Jan. 26, 1918

In the afternoon to Witney with W.O. in motor, and saw Dr. Harvey. Picked up Marion Emmons at the Blackburns' at Bampton. W.O. told us when he saw some nice silhouettes there, that 'S' - was a nephew or son-in-law of Astruc.
