Dear A,

F. & B. is a bully book to Grangerize. The only book I have on the subject is a pamphlet by Bradley who was a great Grangerizer. From his library I got the Mary Toft Rabbit Breeder book, which he gives as an example of the book Grangerized before G. Ask Mr. R if he has written on the subject, as I should like to get his book, if he has.

All well, Billee asleep, in the morning; 'Twas so nice to see you. Get that Tuft paper reading and let us have it for the Q. Jr. Med. Love to Rhea and ~~Wider~~, friends.

Yours,

W.O.
