

(Letter Typewritten).

Victoria and Albert Museum,
South Kensington, London, S.W.7.

18/410

13 February, 1918.

Dear Sir,

In reply to your letter of the 5th inst., we have made a considerable search, but have been unable to find any definite information on the canes fitted with vinaigrette or scent case to which you refer. We have no examples in the Museum, but we find on enquiry that there is a specimen, of Swiss origin, in the Wellcome Museum in Wigmore Street.

Yours faithfully,

Cecil H. Smith.

Sir William Osler, Bart, D.M. DSc.,
Christ Church,
Oxford.
