Letter (Script)

Sunday. (25th. Feb. 18.)

Dear Archie,

So delighted to hear that you are to go to Paris. Do go and see Pierre Marie and Dr. Rist. I enclose letters they both speak good English and will like to hear of us, also one to Dr. Hahn at the Lib. of the Ecole de Medicine. He is a dear old fellow. If you have time go also to Maurice Bousset, 9 rue Guenegand who is a first class bookman. He has a Kircherus for me a small folio which perhaps Colin could bring back as it is too big for the post.

Yours ever,

W.O.
