Dear Archie,

I should like to find the original ed. of the *Physiologie du Gout*, a great book. I have one good edition but the first should be in the B. O. Yes Raymond's Book is A.I. So sorry you have had a slow time lately. I have been "on the jump". Near Winchester to see Charlie Bath who has had a smashed face, doing well, and two days at Cardiff straightening out the Talbot Chair affairs. The old girl is back and I hope we shall now drive on.

Greetings to Sir John.

Yours,
W. O.
