

CUS417/125.84

(Letter to Edward Milburn, Esq.)  
(typewriting)

18 April 1918.

From the Regius Professor of Medicine, Oxford.

Dear Ned,

Sorry to hear you have been laid up. Nonie writes that she is quite well again and at work at Buckston. She seems a very capable woman, and full of good sense.

Love to you all,

WM OSLER
