

G. R. O. to A Mallock

CUS417/125.125

(letter, script)

Tuesday
[11th June '15]

This is a letter I had from Rhea — It was a shame we did not know where he was as Sir Wm passed the gate the other day on his way to see a patient in Camberly. — — — I am rushed than ever — for the food business has to be personally supervised and although I hear Sir William saying "Oh — it's no trouble at all" — I find it no easy matter.
