(hand-written)

re Rhea.

Dear Adami,  
Elder has left no. 3 - to whom should I write, to Birkett?  
I would push the work through \* here as war-work. I have just  
arranged for the printing of Strong's Report on Trench Fever. We  
expect him here tomorrow.

I will let you have the Ty. Spine for August.  
Love to Isabel.

Yours,

Wm. Osler.

Has R. left Buxton?

J.G.A. \* Re arrangements for publication by the Clarendon Press  
of Major Rhea's exquisite studies upon War injuries of  
Bones - as a War Memorial by No. 3 Canadian (McGill)  
General Hospital.
