Dear Adami,

Where is Findley? I want to catch him and Meakins for a little dinner at the Athenaeum on Thursday next at 7.45. Will you join us please? I hope to catch Peterson and Falconer. Do you know where the latter is?

Love to Isabel.

Yours,

Wm. Osler.

Wire me Findley's address if you get this in the a.m.
I shall be in Thornecliffe Monday and Tuesday.
