

13 Norham Gardens.

(hand-written)

W.O. to J. George Adami.

23.ix.18. CUS417/126.89

Dear Adami,

Billy F. came last eve - a bit thin but afebrile. Collier and I went over him thoroughly this a.m. There is no trace of disease in the lungs and he is much better. A couple of weeks rest should put him in good form. The insomnia has been the chief trouble.

Yours sincerely,  
Wm. Osler.
