Oxford, 16.iii.17

Have you the Dana Anaesthesia No. of Littell's Living Age, 1848? If not, I have a duplicate which I can send. I have ordered the B.E. vol. for you with Simpson's articles. As I think I told you, I lack (1) Bigelow's article (2) original papers by Morton, Wells & Jackson. I will send you my scheme of classifying the Anaesthesia items.

W. Osler.
