~~Thursday Eve~~

~~[1st Oct '18]~~

Oct 25th [18]

--- Sir William is having a great evening while I am writing, he has Col. McCulloch of the Surgeon General's library Washington spending the night & they are making catalogues for purchases. --- Did Sir William tell you he had 37 American Officers at luncheon in London and a demonstration afterwards at the R. C. S. with even more. They were all delighted
