From Dr. Malloch's Journal.  
Friday, Nov. 15, 1918.

After dinner W.O. told me of the dining-clubs he had belonged to - somewhere he has written an account of these:

1. The Club; 2. The Club of 12; 3. Biologists; 4. Mahogany Tree; 5. Medical Union;
6. Ship of Fools; 7. The College Club; 8. The Fellows' Club; 9. Roy. Soc. Club;
10. Colophon Club; 11. Samuel Pepys' Club; 12. Canada Club; 13. Ashmolean;
14. The Club (see Mr. Madan's book on it.) 15. The Tutors' Club; 16. The Roxburghe.

About 1915 O.W. was proposed by Lord Roseberry as member of 'The Club' or 'The Literary Club' or 'Johnson's Club' in London. Did not know about it and was not elected.
