

From Dr. Malloch's Journal.

Monday, Nov. 18, 1918.

W.O. and I went to town at 10.50; we had lunch at Paddington. I met him at the Bibliog. Soc. at 4.30; paper on regulations of the book-trade before 1550. Bill was there too, and after it was over we bid W.O. au revoir at Oxford Circus.
