

To Sir Rolleston.

13, Norham Gardens,
Oxford.

Letter Script.

Dear Rolleston,

4. Xii. 18.

1) The Surg. Gen. in France would send Major Walker over. He has been one of the outstanding figures in the A. E. F. and everyone is loud in praise of his work

2) Med Section R.S.M. Why should it not be rejuvenated? Let us make a personal appeal to all the Assistant Phy's at the Lond. Gen. Hospitals for the special ones, to make it their first duty; and help put it in the position of the Societe des Hopitaux.

3) Talk over the Meeting of the Ass. of Brit. Phy. with Hale White. Would it not be better to meet in London?

Yours &c.

Wm. Osler.
