Dear Jacobs:-

Maggs missed everything in that Jenner lot. Welcome bought them all, - with Maggs as under bidder. Those Sears miniatures of Harvey, Sydenham &c. were declared by Bell of the Ashmolean to be fakes - & bad ones - not worth the old frames in wh. they had been put. Do you remember that big bronze plaque of Huxley? Well, I had left it to you in my will, but it is better for you to have it now, so I am sending it by Flexner next Tuesday. There were only a few struck off for distribution to subscribers of \$500.

Poor Fitchers! they are constantly in our thoughts. Marjorie writes that they do not know what they would have done without you.

Love to Mrs. Jacobs & greetings for Xmas.

Yours ever,

W.O.
