Dearest Gwen

I have asked Norman McCrae to buy you Govt. Stock - two thousand dollars, which should bring in \$100 a year. Spend this on the education of the darlings. I hope the house is comfortable & in good order. Let me know at any time if there are any special bills for repairs. Keep little Auntie comfortable, & make her rest & not do too much. Think of what a work she has done for the family What an angel she is.

Billy is with us -'tis so nice to have him now for the week ends. He is looking so much better.

Love to Bertram & the darlings

Your loving

Old Doctor
